

REMARKS

Claims 1, 2, 4, 7-9 and 12-14 were presented for examination.

Claims 1, 2, 4, 7-9 and 14 were rejected.

Claims 12 and 13 were objected to as being dependent upon a rejected-based claim, but were indicated to be allowable if rewritten in independent form.

Therefore, Applicant has followed the wishes of the Examiner. All claims have been canceled except the only two remaining independent Claims 15 and 16, being the same as objected to Claims 12 and 13, respectively, except rewritten in independent form.

CONCLUSION

Since Applicant has canceled all rejected claims and complied with the objections by the Examiner to rewrite allowable subject matter in independent form, the present application is in condition for allowance.

In the very least, Applicant respectfully requests the Amendment be entered for the purposes of appeal.

Respectfully submitted,
